# The Reader's Review

## The Haunted Library!

### The Night When Books Came to Life!

On the evening of Saturday, October 28th, over 150 children and adults dared to enter our spooky library and meet many of the most famous characters in the books on our shelves in the children's section. Alice in Wonderland and Cinderella were both there. So was Peter the Pumpkin Eater and his wife. The Very Hungry Caterpillar sat on a table waiting for something good to eat! While some good witches watched over the event, folks toured the book stacks and even got to meet the therapy dogs dressed in their doggy Halloween costumes!
