

Ellwood City Public Library's

SCAVENGER HUNT

All ages are invited to participate in the Scavenger Hunt in the Children's Area!

1. Ask at the front desk for the Scavenger Hunt worksheet.
2. Walk around the Children's Area where we've hidden seasonal themed pictures.
The pictures will be taped to bookshelves, windows, etc. They will be in plain sight with no need to "investigate" too hard.
3. Find all the items on the worksheet.
4. When you have completed the hunt, turn your answer sheet in at the desk to get a prize when it is completed.

No time limit (other than when the library is closed.) Themes will change every few weeks.

*Please only complete the scavenger hunt one time per visit.
