SCIENCE HEROES

"Adventure of the Missing Color"

In keeping with our "Color Our World" summer theme, Science Heroes visited our Library on Thursday, June 17th. Their mission was to turn science into an adventure! During a 45-minute program, Science Hero John, did hands-on experiments and told interactive, exciting stories. The kids learned about the science that's all around us everyday. Everyone had fun celebrating the scientists who color our world with art! It was a great way for kids to find that learning about science can be lots of fun!

We Say Goodbye to Beverly Greenberg

Our Library recently lost one of its most devoted supporters, Beverly Greenberg. Beverly passed away on June 25th. She has been on the Ellwood City Area Public Library fund-raising committee for many, many years. In 2024, our Board of Trustees recognized her years of volunteer service with a plaque of appreciation. She was an avid lifelong reader who participated in all three of our book groups. She will most surely be missed by our entire Library community.

A Special Gift For The Library

Our Library has been gifted a beautiful reading series from the family of the late local author, LuAnn Santillo. This series is perfect for beginning readers to gain confidence in their reading. Come check out these great books where new skills are gradually introduced and each book builds upon the skills from the previous books.

LuAnn was the creator of Half-Pint Readers and founder of Half-Pint Kids, Inc. She retired after 38 years of teaching at Riverside Beaver County School District where she taught kindergarten students and pre-k students.

We would like to say a special thanks to her family for this wonderful gift.

ATTENTION ALL LIBBY RESOURCE USERS!!

The following announcement was sent to us from the New Castle Library. We ask that you review it. Please visit the links below or feel free to call us at (724)758-6458 if you have any questions or concerns. Thank you.

New Castle Library District Overdrive Libby Patrons,

Due to circumstances beyond our control, the reciprocal lending agreement which allowed access to multi-district collections (Seneca, New Castle, Oil Creek, and Erie Library Districts) was dissolved. Although New Castle was surprised by the exit of the other three districts from our shared lending agreement, we stand committed to the needs of our patrons to build and develop a comprehensive e-resource library that is accessible to all of the 400,000 citizens in our library district. New Castle Library District provides e-resources to public libraries in Armstrong, Butler, Lawrence and Mercer counties.

For further information, please visit ncdlc.org/district or please contact Deputy Director of District Services/District Consultant, Barbara McGary, at bmcgary@ncdlc.org for any questions.

DON'T FORGET ABOUT MOVIE NIGHT !!
