Dance, Dance, Dance!

The Library Program Room was full of music and lively dancers on Saturday, September 20th to celebrate National Dance Day. Dakota was the Dance Instructor. He led children and adults through the steps to the Electric Slide, the Macarena and Cotton-eyed Joe, just to name a few. At the end of all that dancing, everyone got to enjoy a popsicle as a special treat.

Keep on Dancing!

2025 Annual Fund Drive

Now in existence for over 111 years, the Ellwood City Area Public Library continues to strive for excellence in its programs and services to our community.

Unfortunately, even with year-round fundraising efforts by the Board of Trustees and the Friends of the Library, we do not receive enough funds from the State or other sources to fully support all of our free programs and services and to buy books, periodicals and newspapers.

That is why a contribution from you in any amount will have an immediate impact on the work being done here at the Library. Your donation can be brought in or mailed to the Library.

We thank you in advance for your kind generosity.

Harry Potter Magical Library

If you walked into the Library on Saturday, September 27th, you would have found a magical world created by our amazing Library staff members. It was a world filled with characters and scenery from Harry Potter and all of his adventures. On that day, 349 people entered our building through a make believe brick wall and followed a path through Harry Potter's wizardly world. We are so thankful to our staff and many of Mrs. B's friends who helped this production come to life! Mrs. B says that due to this year's success, keep an eye out for another Magical Library next year with some exciting new additions.

Are you someone who enjoys building jigsaw puzzles? We always have a puzzle in progress on a table behind the seating area in the middle of the Library. Everyone is welcome to sit down and work on it or just add a few pieces as you walk by. Our puzzles are a community project just waiting for folks to join in, find the right piece, and watch the picture come together.
