**This month we are discussing:**

**"Wicked"**  
by Gregory Maguire

In this fast-paced, fantastically real, and supremely entertaining novel, Maguire has populated the largely unknown world of Oz with the power of his own imagination.

Recognized as an iconoclastic tour de force on its initial publication, the novel has inspired the blockbuster musical of the same name—one of the longest-running plays in Broadway history. Popular, indeed. But while the novel's distant cousins hail from the traditions of magical realism, mythopoeic fantasy, and sprawling nineteenth-century sagas of moral urgency, Maguire's *Wicked* is as unique as its green-skinned witch.

We will meet at Fitzgibbon Meadery every other month to discuss a new book, try some delicious wine, and meet some fellow book lovers. Each time we meet, it is only \$10 for your first glass of wine and a great discussion! There will also be alcohol-free drinks as an option as well! Must be 18 years old or older to attend.
