

# Read, Roar, Repeat!

## Grab Your Reading Tracker at the Desk!

Calling all junior paleontologists and dino explorers! Are you ready to stomp, chomp, and ROAR your way through books?

Track your time spent reading and watch your progress grow—just like a tiny hatchling becoming a mighty dinosaur. Whether you love thrilling adventures, funny stories, mysteries, or fascinating facts, every book helps your dino journey come to life.

Remember: even the biggest dinosaurs started small, and every great reader grows one book at a time. So grab a book and let's Unearth a Story together!

-  Read books and log your time spent reading.
-  ALL BOOKS COUNT AS READING: Graphic novels, audiobooks, etc.
-  Track your books from June 1<sup>st</sup> - August 31<sup>st</sup>
-  Once all the books have been colored, come to the library for a prize!
-  You can complete as many reading trackers as you want during the summer!

# Read, Roar, Repeat!

at the Ellwood City Library

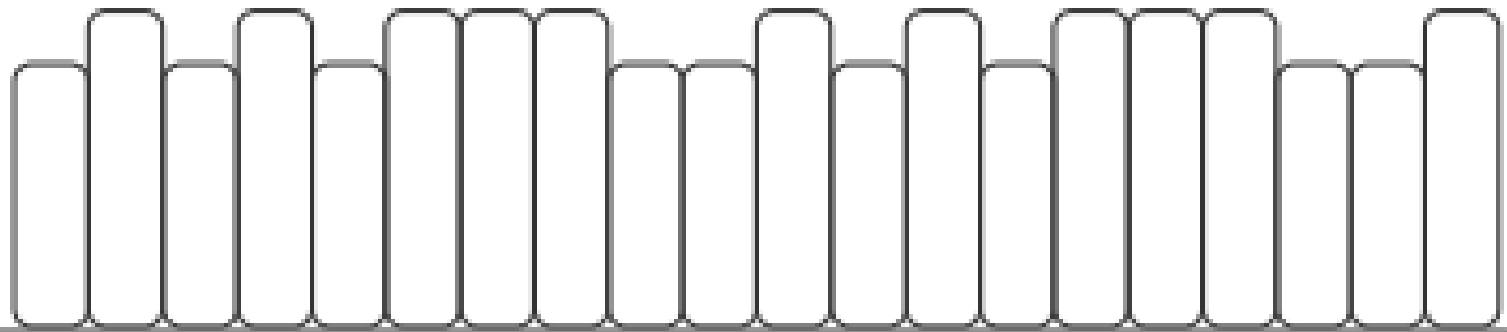

Calling all junior paleontologists and dino explorers! Are you ready to stomp, chomp, and ROAR your way through books?

Track your time spent reading and watch your progress grow—just like a tiny hatchling becoming a mighty dinosaur. Whether you love thrilling adventures, funny stories, mysteries, or fascinating facts, every book helps your dino journey come to life.

Remember: even the biggest dinosaurs started small, and every great reader grows one book at a time. So grab a book and let's Unearth a Story together!

Color in your tracker. One book = 20 minutes spent reading

One book = 20 minutes spent reading

-  Read books and log your time spent reading.
